Has your son/daughter had any formal fastpitch pitching instruction before?

Yes **No**

(please highlight or circle one of the answers)

If you answered "yes", how many years and who is/was his/her pitching coach?

If your son/daughter has pitching experience, what pitches does he/she currently throw?

What pitches would you like your son/daughter to learn this summer?

Please remember that you will need to provide someone who can catch for your son/daughter during the pitching lessons. If his/her catcher is still school-aged, a catcher's mask is required. I only have 2-3 catcher's masks and they are for college aged players, so if you need one, you might contact your youth league to see if you can borrow one.

Does your son/daughter have his/her own bat to bring to lessons?

Yes **No** (please highlight or circle one of the answers)

A DVD of before and after clips for both hitting and pitching can be made available after the completion of the sessions, for a price of \$10. Coach Huntington will create the DVD and mail it to you. A piece of software will be included for viewing the clips.

Do you wish to purchase the DVD/CD with the swing/pitching clips?

Yes **No** (please highlight or circle one of the answers)

Any additional comments, questions?
