

# Men's Hockey Shocks Gustavus For Second Win

*Posted: Saturday, January 14, 2006*

EAU CLAIRE - The UW-Eau Claire men's hockey team has now won two of its last three games following a 5-2 upset victory tonight over Gustavus Adolphus.

The win gives the Blugolds an overall record of 2-12-3 and the loss drops Gustavus to 9-3-1. The Blugolds have now won two-straight over the Gusties by identical scores.

After a scoreless first period, which saw the Gusties out-shoot the Blugolds 12-5, the Blugolds struck first, nine minutes into the second period on a **Brooks Lockwood** (*Jr.-Hudson, WI*) goal. **Jeremiah Weber** (*So.-Hayward, WI*) and **Ben Bosworth** (*Fr.-Hudson, WI*) were credited with the assists.

Just three-and-a-half minutes later the Blugolds would strike again on a **Chip Dunleavy** (*Sr.-Littleton, CO/Columbine*) goal to make the score 2-0. **Brad Wiechmann** (*Fr.-Austin, MN*) and **Andy Klapperick** (*Sr.-Austin, MN*) assisted on the goal.

Following a Gustavus goal by Mike Hosfield to make the score 2-1, the Blugolds' **Dave Coleman** (*Jr.-Whitby, ONT/Leo J.Austin*) would score with 54 seconds left in the second period to put the Blugolds up 3-1. **Dan Lohr** (*Jr.-Madison, WI/Middleton*) and **Mike Schneider** (*Fr.-Owatonna, MN*) assisted on this goal.

Then just a minute into the third period the Blugolds would extend their lead after a Ben Bosworth goal to make the score 4-1. Brooks Lockwood had the assist.

The Gusties' Jon Keseley would make things interesting scoring a power-play goal with 15 minutes to play in the game to cut the Blugold lead to 4-2. However, the Blugolds would hold it from there and Chip Dunleavy would score his second of the game on an empty net as the Blugolds went onto win 5-2.

Blugold goalie **Steffan Braunlich** (*Sr.-Los Angeles, CA/Loyola*) picked up his second win of the season as he stopped 30 shots.

The Blugolds will be at home again next Friday night, as they will host rival UW-River Falls in conference match-up. The puck is scheduled to drop at 7 p.m. in the Hobbs Ice Center.
